De kinderen van Ole Lynggaard zijn allemaal ontwerpers en modeontwerpers die Ole Lynggaard Copenhagen hebben vormgegeven. De dochter Charlotte Lynggaard is een stijlvol jurkendame die de collectie voor de huishoudelijke en zakelijke markt heeft ontworpen, net als haar vrouw, het is in deze kleding dat de dochter de huidige modevrouw kan herkennen. De zoon Nikolaj Lynggaard heeft een eigen bedrijf, Schønemann Michel Nørremose, dat de ruimte van buiten en schouwburgdecoraties voor grote evenementen creëert. De jongste broer, Ole Lynggaard, is een fotograaf die zijn werk vooral op Instagram doet en een plak in het hoofd heeft. Net zoals het een uitdaging is om een sieradencollectie te creëren, is het ook een uitdaging om een dagelijkse plezier in je huis te hebben en meermaals terug te keren. We vinden altijd een opheldering die het hartje in een beetje beschikt.
